The enigma

- **Keywords**

Students look at a family tree and complete a word puzzle.

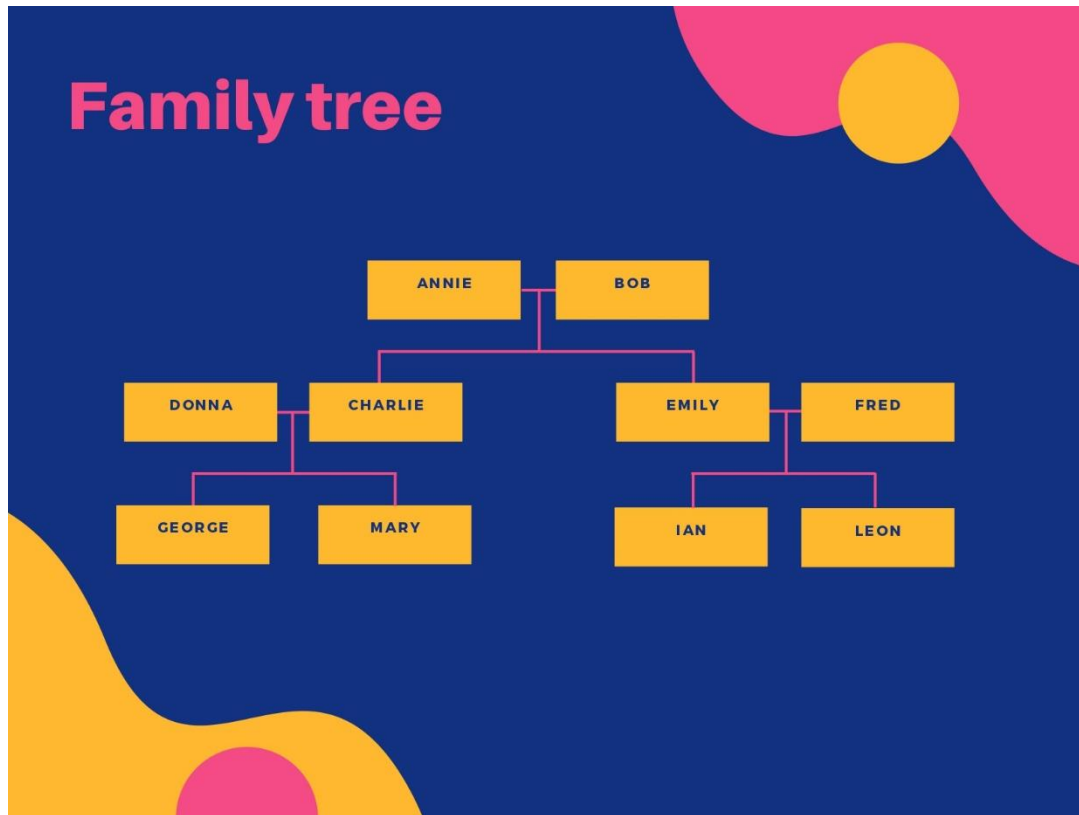

- **Toolbox**

Family tree card, worksheet, numbered boxes, a box with a hidden message

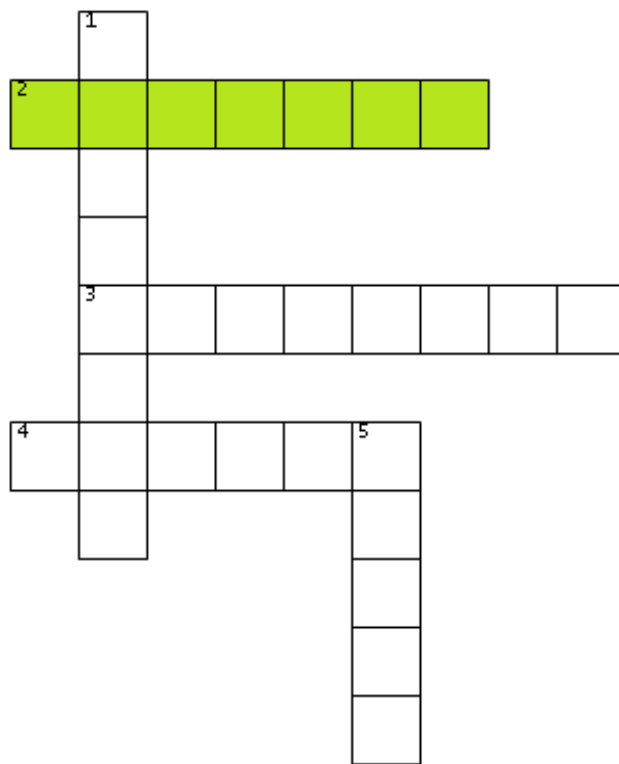

Who's my cousin?

Students look at the following family tree card and complete the quiz below.

Who's my cousin?

ACROSS

2. George is Mary's _____.
3. Mary is Charlie's _____.
4. George is Jenny's _____.

DOWN

1. Ian is Annie's _____.
5. Leon is Donna's _____.

When students complete the word puzzle, they have to count the number of cousins in the family tree and use this number in order to open the box with the right number on it. In the box they will find a hidden message that leads them to the next enigma.

Hints

Students might not think that they have to count the number of cousins in the family tree. In case they don't, the teacher/GM can guide them by asking them "How many cousins can you see in the family tree?".

The teacher/GM can hide the next enigma or a secret number in the box.
